Punta Frances (Isle of Youth)

## Extraordinary

Our cruise to Cuba includes visits to UNESCO world heritage sites and National Parks & Preserves. You can walk down cobblestone streets, up mountain paths, through rain forests and, of course, on fabulous world-famous beaches. And, each night you'll get to enjoy the delicious food and the incredible entertainment and comfort of your world-class ship.

Experience the best of a Caribbean resort and a cruise vacation, combined with a Cuba that few people ever get the chance to see.

Havana

Embark in either Havana or Montego Bay.  
It's "Your" choice.

Two Days!

### Havana

Step off of the ship and right into "Old Havana" as the port is directly across the street! One of the great historical cities of the New World, Havana displays a colourful combination of colonialism, capitalism, and communism blended into one. We have two exciting days to explore the magnificent sights and sounds of Cuba's capital city.

### Punta Frances (Isle of Youth)

Pine forests scent the "Isle of Youth" and mingle with orange blossoms and warm ocean breezes. We transfer you to the beach at Port Frances. This is a glorious beach of pure white sand surrounded by crystal clear warm waters - perfect for snorkeling. Enjoy your afternoon on the beach in the sunshine!

### Cienfuegos

Your included shore excursion will show you the beautiful city of Cienfuegos and the view of the impressive Castillo de Jagua, a fortress erected in 1745 for protection against Caribbean pirates.

### Jamaica, Montego Bay

Montego Bay is an alternative embarkation port to Havana. With unique culture, beaches, picturesque mountains, and incredible duty free shopping we couldn't pass this up. Stroll along pristine beaches, explore a plantation, or meander around the shops and enjoy. Whether you start your cruise here or spend the day, Montego Bay is extraordinary.

### Santiago de Cuba

One of the most interesting and historically significant places in Cuba, Santiago de Cuba is the island's centre for Afro-Cuban culture and a key to Cuba's unique personality. Discover the military history and complex architecture of the El Morro castle, which is a recognized UNESCO site.

Itinerary may be subject to change.

## Enjoy two days in Havana!

Our itinerary offers you two days to experience the amazing historical sights and sounds of Havana. During the evening, enjoy one of our optional excursions to a world famous show or explore the famous Cuban street life, or have a drink with the spirit of Hemingway or stroll El Malecón...

It really doesn't get any better than this.
