Meraviglia-generation ships

Meraviglia-generation ships have been designed to meet every need of today's cruise guest. The extraordinary design, wide array of facilities and entertainment make these ships ideal for the whole family. Designed for all seasons, they are able to call at most of the world's international cruise ports.

Meraviglia-generation ships will leave you breathless and will surprise you with their amazing features.

MSC Meraviglia

Launched in June 2017, MSC Meraviglia is packed with extraordinary features. On board you can enjoy outstanding, authentic dining options and out-of-this-world entertainment with new panoramic areas, an innovative ocean-view aft lounge, a 2-deck “indoor promenade” with a 262-foot-long LED dome and a spectacular amusement area.

MSC Bellissima

Launched in March 2019, MSC Bellissima offers a stunning array of new features including the evolution of the much acclaimed MSC for Me program, taking the art of hospitality to the next level of innovation. Guests on board MSC Bellissima will also meet the world’s first virtual cruise assistant, ZOE, a voice-enabled artificial intelligence device fitted in every stateroom.

MSC Grandiosa

Launched in November 2019, MSC Grandiosa builds on the success of MSC Meraviglia and MSC Bellissima. This new Meraviglia-class vessel is the largest ship in the MSC Cruises fleet, offering even more public space and introducing a series of exciting new features to spark new emotions. She will be followed in November 2020 by her equally impressive sister ship, MSC Virtuosa.

Breathtaking LED dome

At the heart of MSC Grandiosa is a breathtaking indoor promenade, extending over 367 feet and covered by a dramatic LED dome. It is home to superb shopping options, an extra-large and welcoming French bistrot, and more exciting venues to welcome all our guests.

Any time of day or night, there's always something to see, do, try or taste at the indoor promenade.

Bars & Lounges

The indoor promenade boasts a variety of stylish bars, cafes and lounges to suit every taste—there's even a bar with a robot bartender! So whatever the moment, you'll always find the ideal place to relax and enjoy a refreshing drink, perhaps accompanied by some live entertainment.

Nighttime Activities

When the sun sets, the indoor promenade takes on another life, with LED dome shows, concerts, discos and parties to enjoy late into the night. So if you're the kind of person who never wants the day to end, you'll always find something fun to do, underneath a spectacular digital sky.

Specialty Restaurants

The indoor promenade is filled not only with sound and color, but also with deliciously tempting aromas. Follow your nose and you'll find a choice of elegant specialty restaurants offering authentic teppanyaki and Japanese delicacies, succulent American-style steaks and more.

Mall-Style Shopping

MSC Grandiosa takes the onboard shopping experience to a new level, and the indoor promenade is at the center of that experience. Here, in the shopping mall-style boutiques, you'll find your favorite brands of clothing, jewelry, technology and more, all at unbeatable prices.

Jean Philippe Chocolat & Café

French master-pâtissier Jean-Philippe Maury brings his award-winning touch to this fabulous chocolate bar, where the open kitchen allows you to watch our expert chocolatiers in action, as they create a mouthwatering variety of sweet delights to tantalize your taste buds.

A connected cruise experience

CONNECT. ENJOY. JUST BE.

Guests on MSC Grandiosa will enjoy all the benefits of the latest MSC for Me features, offering a more seamless, connected, carefree cruise vacation experience, at no extra charge. The easy-to-use touchscreens around the ship, the virtual personal cruise assistant ZOE, and the mobile app are all designed to help guests better relax and enjoy their vacation with family and friends.

Innovative technology to enhance and personalize your experience on board.

With MSC for Me, guests can make the most of their time on board MSC Grandiosa. Here are some ways this innovative digital program adds convenience and fun to our guest experience:

- **Chat:** Guests can message each other on board directly through the MSC for Me app, without the need for an internet package.
- **Cruise planner:** Guests can plan their time aboard by adding selected pre-booked experiences, such as a spa or show booking, to their pre-cruise personal agenda.
- **Pre-registration:** Register your credit card for your cruise through the app before you board, saving time at embarkation and allowing you to enjoy the amenities on board faster.
- **Friends and family locator:** This new paid-for service lets friends and family traveling together easily find each other on board through a special MSC for Me Bluetooth-powered wristband.
- **ZOE:** Our AI-powered digital cruise assistant ZOE can answer hundreds of questions about the cruise, the facilities and help book services.

Meet ZOE

In 2017, MSC Cruises wowed the world with MSC for Me, first introduced on MSC Meraviglia.

Then with the launch of MSC Bellissima came a dazzling innovation called ZOE, the world's first virtual cruise assistant, exclusive to MSC Cruises. Revolutionizing the way guests get cruise information, ZOE is welcoming, helpful and effective, just like any other MSC Cruises crew member.

Guests on MSC Grandiosa can enjoy ZOE's assistance, too, now enhanced with some great new features.

Meet ZOE, the very first virtual personal cruise assistant.

On MSC Grandiosa you'll meet ZOE, our exclusive virtual personal cruise assistant! Available in your stateroom, she's a voice-enabled assistant that speaks 7 languages, English, French, Italian, Spanish, German, Brazilian Portuguese and Mandarin, and will be your special crew member, dedicated only to you, with the latest innovation in cruising technology. She can reply to hundreds of questions regarding your cruise experience, from the daily program to Club members'

benefits or information for kids. She will guide you to explore onboard activities or help you choose and book your restaurants, your shows, your excursions or spa sessions. She also gives you a hand to check your bill, and she learns from every interaction you have with her so she can offer an even more personalized service. You just need to say: "OK, ZOE," and she's ready to help on this amazing journey!

Protecting the environment and the oceans

The sea and the ocean have always been at the heart of everything we've done. We feel a deep responsibility to respect and safeguard the environment in which we operate, the guests who sail with us, the people who work with us, the cities we call at and the communities we visit.

Caring for the world we live in and the seas we sail.

MSC Cruises is committed to protecting the oceans because they are the planet's most precious resource. Therefore, all MSC Cruises ships are equipped with modern technology and advanced engineering to lower their impact on the environment.

MSC Grandiosa takes these efforts up a notch and pushes the boundaries of cruise ship environmental performance.

The ship has not only been created to provide unparalleled vacation experiences at sea, she also features some of the latest environmental systems and innovative marine technology.

The ship operates with significantly increased energy efficiency and is equipped with state-of-the-art recycling facilities and waste management systems, as well as advanced technology for cleaner

ship emissions. Plus, on MSC Grandiosa, virtually all single-use plastic items have been replaced with environmentally friendly and sustainable solutions.

The Company's environmental efforts are an ongoing journey, and MSC Cruises will keep exploring and developing new solutions for a better future.
